Track 10: Blade – Maria (remix)

*Gyal u hot gyal u sweet
Nothing can come in between
That's the way u make me feel oh yeah
Struggle on everyday
Obstacles come in our way
But we got to keep it real,real,real*

*When we in the storm
I will keep u warm
When the chips are down I will always be around*

*Oh Maria Maria oh oh oh oh Maria yeah
Oh oh oh maria maria oh oh oh oh maria*

*Every step along the way
U give me strength to carry on
U are my inspiration
U are the wind beneath my wings
U keep me flying high
Right across the clear blue sky*

*When ur in the dark
I will shine the light
When ur friends are gone
I will always be around*

*Oh maria maria oh oh oh oh maria yeah
Oh oh oh maria maria yeah oh oh oh oh maria*

*The way u move me
The way u sooth me
The way u groove me I have to say maria
The way u hold me love and control me
The way u touch me I have to shout maria*

*Oh maria maria oh oh oh oh maria yeah
Oh oh oh maria maria oh oh oh oh maria
Oh maria maria oh oh oh oh maria yeah
Oh oh oh maria maria oh oh oh oh maria*

*Oh maria maria oh oh oh oh maria yeah
Oh oh oh maria maria oh oh oh oh maria*
