**MARIA**

*Gyal u hot gyal u sweet  
Nothing can come in between  
That's the way u make me feel oh yeah  
Struggle on everyday  
Obstacles come in our way  
But we got to keep it real*

*When we in the storm  
I will keep u warm  
When the chips are down I will always be around*

*Oh Maria Maria oh oh oh oh Maria yeah  
Oh oh oh maria maria oh oh oh oh maria*

*Every step along the way  
U give me strength to carry on  
U are my inspiration  
U are the wind beneath my wings  
U keep me flying high  
Right across the clear blue sky*

*When ur in the dark  
I will shine the light  
When ur friends are gone  
I will always be around*

*Oh maria maria oh oh oh oh maria yeah  
Oh oh oh maria maria oh oh oh oh maria*

*The way u move me  
The way u sooth me  
The way u groove me I have to say maria  
The way u hold me love and control me  
The way u touch me I have to say maria*

*Oh maria maria oh oh oh oh maria yeah  
Oh oh oh maria maria oh oh oh oh maria  
Oh maria maria oh oh oh oh maria yeah  
Oh oh oh maria maria oh oh oh oh maria*

*The way u move me  
The way u sooth me  
The way u groove me I have to say maria  
The way u hold me love and control me  
The way u touch me I have to say maria*

*Oh maria maria oh oh oh oh maria yeah  
Oh oh oh maria maria oh oh oh oh maria*
