*I want to hear them shoes stamping on the ground  
Lift ur foot and put them down  
Jump jump jump a little higher  
Stamp stamp stamp a little harder  
Wine wine wine a little lower  
Run run run a little faster*

*10,000 people jamming  
All over town they going  
Put on ur shoes and get on bad  
Behind the truck dem moving  
Hear dem speaker thumping  
Music sending people mad*

*Carnival, I want to see  
Love for u and love for me  
So join a band and start the jam  
Time to celebrate carnival*

*In Antigua me born and grow  
Jumping up is all I know  
In Antigua me born and grow  
Carnival I love it so*

*Put down ur left foot

Whether sun or rain they jumping up again  
Come and join the soca train*
